GIVING DECEMBER

December 2023

I was encouraged by God's goodness in Haley Collins' story. Haley's Aunt could not be a monthly donor, but she became a strong advocate. This led to Haley being invited to a small church in rural West Virginia where the pastor invited her to speak and ask the congregation for financial support. The church decided to give monthly, but the Haley said the greatest gift was when the congregation anointed her with oil and prayed for her. It was her first time meeting them and she gained an extended family that cares for her and regularly prays for her student work. *You can see Haley's full story and more at www.bradfordeverett.com.*

Would you consider giving and/or inviting others to give in one of the ways below?

Bradford Everett
Regional Director

Double Your Gift

Every new dollar given this month will be matched. This means what ever you give above your regular gift be doubled. Would you consider giving an extra gift this month? You can use the QR code or link below to make your donation.

To mail checks, follow the instructions in the form sent with this letter.

\$10 New Partnership Invitation

10 people giving at \$10 per month provides \$1200 per year toward student discipleship. **I am inviting new and former partners to give \$10 per month.** Join the community of generous Christians who care for college students. Use the same link and/or QR code above to set up your giving. When you give you will receive:

- 1. Thank you gift.** a small token of appreciation that will serve as a reminder to pray for college students.
- 2. Video updates** featuring staff and student stories and behind the scenes peaks into what is involved in doing campus ministry.
- 3. Prayer:** You will receive requests from campus. You will also be added to my prayer calendar so that you are prayed for by name every month.
- 4. The joy of seeing** your investment lead to Jesus transforming lives and bringing renewal to the campus.
